Regarding Core subjects of FYUGP 2nd Semester Students

This is for information to the students of FYUGP 2nd Semester of our college that if any student has discrepancies in subjects between the Samarth Portal and the Gauhati University portal, they are strictly asked to come to the college on Monday, the 12th February, 24 at 10 A.M. and to submit an application at the college office for correction.

For example, a Student name **Aman** has 3 core subjects in Samarth: English, Education, and History. Unknowingly, he filled up his examination form in the Gauhati University portal with the subjects English, Education, and Political Science, and appeared in the 1st semester examination with the subjects English, Education, and Political Science. Now, he has to change the subject History to Political Science in the Samarth portal.

The matter is very serious, so all students are hereby asked to verify their subjects in the Samarth Portal as well as in the Gauhati University portal (Onlinegu.in). If anyone finds any mismatch in portals, you are asked to come to the college office tomorrow before 11 AM for correction.
